14	Ellis	New Orleans	38	1	24	0
15	Bluefields	do	23	6	0	0
16	Banan	Mobile	17	0	0	0
16	Manistee	New York	47	2	0	0
17	Harald	Mobile	18	0	0	0
17	Venus	New Orleans	26	3	0	0

CUBA.

Report from Cienfuegos—Inspection and fumigation of vessels—Yellow fever.

Acting Assistant Surgeon Marsillan reports, August 26:

Week ended August 24, 1907.

Vessels inspected.....	2
Vessels inspected and fumigated.....	2
Bills of health issued.....	4
Crews inspected.....	151
Passengers inspected in transit.....	1
Immune certificate issued.....	1

The British steamship *Min*, from Manzanillo, bound for Mobile, and the Spanish steamship *Juan Forgas*, from Manzanillo, and bound for New Orleans, were both fumigated. On inspection, all temperatures of their crews were found normal. There was one passenger by steamship *Juan Forgas* for New Orleans in transit and in good sanitary condition.

There are now more cases of yellow fever among Spaniards than among Americans. Only one man remains ill among the American troops.

August 28. One death, Spaniard, to-day. Total cases to date, 30; recoveries, 15; total deaths to date, 6; under treatment, 9.

Report from Habana—Yellow fever.

Passed Assistant Surgeon Amesse reports:

August 28. One case yellow fever officially reported at Campo Florida, about 10 miles from Guanabacoa, across bay from Habana. Has been ten months in the island and whole time at Campo Florida.

August 30. One case yellow fever, Spaniard, officially reported city of Habana. Six years in Cuba. Has been living in Vives street. Now in Benefica Hospital. Taken sick August 23.

August 31. Further note case yellow fever Habana. Patient has not been out of city. Stricken August 23; removed to Benefica Hospital August 24.
